PREFACE.

This volume is the fourth Arlington and Belmont Directory we have issued.

It is published in the same style as the preceding volumes, with a cloth binding, making it an appropriate book for library table and office use.

Our Street List this year contains nearly every family, as many of our patrons were not satisfied with a partial list.

The merchants who advertise in this book are the enterprising and up-to-date men of the towns, and deserve the attention and patronage of all our readers.

It gives us pleasure to note that Arlington is one of the most enterprising suburbs of Boston and is growing fast.

Belmont is also one of our finest residential towns, and is making improvements in its buildings, roads, etc.

We expect to keep pace with the march of improvement and issue the Arlington and Belmont Directory every two years.
